Year 1 Curriculum Overview Autumn Term 2

English	**Maths**
Pupils will continue to develop their confidence with punctuating sentences correctly. Pupils will learn to compare a number of traditional tales and will be writing their own version of a traditional tale. Pupils will also listen and respond to poems read aloud from the book 'Zim Zam Zoom poetry'.	Pupils will continue to practise the skills of adding and in particular subtracting numbers within 20 and complete missing number questions and puzzles to enable them to develop their reasoning skills. Pupils will also develop their confidence with naming and recognising 2D and 3D shapes.

Phonics – Pupils will continue to follow the Read Write Inc scheme for phonics and will read independently within all daily phonics lessons. They will be grouped according to their stage on the programme and will learn to read, write and spell words that contain the focus sounds. Pupils will also continue to build upon their knowledge of everyday 'red words' which cannot be decoded as they do not follow a specific phonic pattern.

Science	**Humanities – Geography**	**Design and Technology**	**Computing**
Pupils will learn about everyday materials and their properties. They will look at different items and the materials they are made from. They will also look at how we can test different materials.	Pupils will learn about our local area and in particular our school. They will look at what our school is like and if there was anything they would like to change to improve our school.	Pupils will be learning about stable structures. They will learn about what makes a structure stable; explore how to make a stable structure and will then design and make their own pencil pot.	Pupils will begin to learn about coding by beginning to think about algorithms as a set of instructions that a computer will follow. Pupils will make and follow some algorithms.

Music	**RE**	**PE**	**PSHE**
Pupils will begin to explore the tempo of music and how this changes and the impact that it has. They will demonstrate slow and fast beats as well as perform in a singing voice as well as develop their confidence to perform with an instrument.	Pupils will begin to understand that different religions have different ideas about God's form and appearance and will begin to compare similarities and differences between how different religions represent God.	Pupils will spend their outdoor PE lessons developing their ball skills and will begin to look at different ways that they can control the ball using their feet. Pupils will also learn about how to control a ball with their hands and will develop their throwing skills.	Pupils will be learning about the importance of being safe and happy. They will discuss the qualities of a good friend and learn how to react during disagreements.

Assembly Themes Children will be introduced to our new school values and the focus for this half term will be **kindness**. They will also learn about the significance of Remembrance Day and will be supporting National Anti-bullying week and Children in Need.
