Wavendon Gate School Reading Overview

Year group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	At the start of the year, we get the children ready for reading by reading a high-quality picture book in a small group. The children practise pre-reading skills (reading top to bottom, left to right and search for some key words. They are encouraged to join in with repeated refrains, identify taught phonemes and explore themes (books are all recommended by the CLPE). Once we have started learning phonics, we practise reading books with the GPCs that we have learnt that week (in line with Read Write Inc phonics scheme) to practise identifying sounds and blending in a super-supported way. Class readers are read daily to the children to promote a love of reading. Each class visits the school library weekly and every child can take home a free choice library book. Reading Dens act as class libraries and books are changed frequently to support current learning.

Wavendon Gate School Reading Overview

	Throughout Year 1, children will continue to work through the book bands depending on their growing phonics knowledge and progression in their application of phonics and comprehension. As the children are assessed in these areas, they will move through the book bands, reading a range of non-fiction and fiction texts. They will also read these same books at home. During Phonics Assessment and Review weeks, children will spend one week per half term focusing on a high-quality picture book, where they are encouraged to join in with repeated refrains, identify taught phonemes and explore themes through discussions. This is an opportunity for children to access books above the level that they can currently read, focusing on comprehension and a love of reading. Class readers are read daily to the children to promote a love of reading. Each class visits the school library weekly and every child can take home a free choice library book. Reading trees act as the class library and are replenished every half term to support the class curriculum.

	For the autumn term, pupils will be streamed according to their phonics skills and will aim for the majority of pupils to have completed the scheme by the end of this term. Guided reading in the autumn term is likely to be 1 phonics group, focussing on fluency and 1 guided reading group focussing on comprehension. From the spring term onwards, guided reading sessions will focus on extracts from books, through focussed book talk and written activities. Reading trees act as the class library and are replenished every half term to support the class curriculum. Pupils have an individual reading book which is banded for age appropriateness and stamina which they take home.
